

## Your new Metso distributor **Modern Machinery Co., Inc.**

Metso proudly announces the appointment of Modern Machinery Co., Inc. as our new distributor for crushing and screening products in Idaho, eastern Washington and northeast Oregon. Modern Machinery is also our mobile screens distributor in Idaho, and provides Metso screen media and liner solutions in northern Idaho, eastern Washington and northeast Oregon.

Modern Machinery recently acquired Spokane Machinery (Spomac), a Metso distributor and leader in supplying equipment to the mining, quarry and contractor markets for more than 62 years. Modern Machinery will continue to build on the Spomac tradition of outstanding sales, service and support to Metso customers.
